

Smalley Lawn Tennis Club

Membership Information

Thank you for joining Smalley Lawn Tennis Club – your support is much valued and will help fund the survival and improvement of your club.

Your membership runs for the calendar year 2011. The courts are open (weather permitting) as follows:

- Grass courts from May to September
- Hard courts all year round

Please:

- Only play when the courts are in a suitable condition and the nets are up.
- Look after your courts and only use them for playing tennis;
- Ensure children under 8 are supervised by an adult (Parents and carers are responsible for their children under 18);
- Hang your key on the appropriate hook when playing;
- Keep the facility secure to prevent non-members accessing the courts;
- Act in the best interests of your club and fellow members – in particular your membership is for your (and your household) use only;

Court booking – on line at www.smalleytennis.net

To be fair to all members, the following guidelines are recommended:

- Book a maximum of 2 sessions in advance and a maximum of 1 session per day
- Please book sessions for a maximum of 90 minutes at a time

Booking is designed to ensure that there will be minimal queuing for courts. We appreciate that some members may not have internet access – it is not compulsory to book. However if you have not booked, please vacate the court when requested by a member who has booked.
